User instructions

Press "Let's write a poem" if you want to generate a new poem.
Press "Save the poem" if you want to save your poem to a chosen destination.
If you want to add a new word to the vocabulary, just press "Add a new word" and enter the word and a correct word class. The following word classes are available: "adjectives", "verbs", "nouns", "pronouns", "particles", "numerals" and "prepositions".
